

*Building Trusted Agricultural
Partnerships Worldwide*

Who We Are

Reis Agri Trading is a trusted agricultural commodity exporter connecting reliable producers with international buyers through premium-quality products, transparent communication and dependable supply chain solutions.

We specialize in the sourcing and export of rice, sugar, spices, maize, grains, and pulses — working directly with producers and processors across India to deliver consistent quality to buyers overseas.

10+

Years Experience

100%

Quality Commitment

24/7

Customer Support

Our Values

Integrity

Honesty, transparency and ethical business practices remain at the heart of every relationship we build.

Quality

Every shipment is sourced and inspected with strict quality standards, ensuring consistency and satisfaction.

Reliability

From sourcing to export logistics, we ensure dependable execution and smooth delivery at every stage.

Partnership

We believe lasting success is built through mutual trust and long-term relationships that benefit everyone.

*Driven by Experience.
Guided by Integrity.*

Mohammad Izhar Alam

CO-FOUNDER & CEO

Reis Agri Trading is led by Mohammad Izhar Alam, Co-Founder & CEO, whose experience in agricultural commodity trading and international supply chain management has shaped the company's commitment to reliability, transparency and operational excellence.

With more than a decade of industry experience, he has worked across sourcing, procurement, risk management and international trade — developing strong relationships with producers, logistics partners and buyers across multiple markets.

"Great partnerships are built on trust, consistency and the confidence that every shipment will meet expectations."

Our Journey

Our Products

1 / 2

Rice

Basmati and non-Basmati varieties, sourced and quality-checked for export-grade consistency.

Sugar

Refined and raw sugar for bulk buyers.

Contact us for a full specification sheet — grade, packaging and MOQ.

Our Products

2 / 2

Maize

Feed and industrial-grade maize.

Grains

Wheat and other staple grains.

Pulses

A range of lentils and legumes for global kitchens.

Contact us for a full specification sheet — grade, packaging and MOQ.

How We Work

Our Export Process

1

Inquiry & Requirement Understanding

You tell us the product, grade, and volume.

2

Sourcing & Quality Verification

We identify and vet the right supplier for your requirement.

3

Sampling & Approval

Samples sent for your sign-off before commitment.

4

Contracting & Documentation

Clear terms, export documentation handled end-to-end.

5

Shipping & Delivery

Coordinated logistics through to your port of receipt.

Global Presence

Where We Source & Serve

Reis Agri Trading is building lasting partnerships across international markets, with a focus on serving buyers across African countries — backed by reliable sourcing networks across India.
